Thanks for the call this morning **Persona**. Here is the reporting template. Happy to discuss any questions or suggestions.

Best things to do is to send the report every day to Julien, myself and Manuel Dussault.

Thanks for the continued collaboration!

Hi **Persona**,

Hope all is well. Left a voicemail on your phone earlier this morning. Following up on our chat yesterday, we'd like to touch base with you at your earliest convenience to discuss the matter of getting data points on the number of accounts frozen and total value of those accounts.

Could you let me know if you have time this morning to connect?

Regards,
Julien
